1. Purpose of this Safeguarding Policy and Procedure

To promote the welfare and ensure the safety of children and vulnerable adults, referred to in this policy as Vulnerable Users, using the Community Hub Facilities provided by the Brockenhurst Village Trust which includes the hall, MUGA and "greenspace" in Highwood Rd and the "Brock charity Shop" on Brookley Rd, Brockenhurst.

To define and provide information to trustees, staff, contractors, volunteers, user groups and visitors about their responsibilities in relation to children, young people, and adults at risk of abuse or neglect.

Brockenhurst Village Trust (BVT) has a duty of care and is committed to the protection and safety of everyone who enters the sites and uses the facilities as visitors or as participants in activities or events. The BVT has a duty to safeguard and support trustees, volunteers, staff, and contractors to ensure that children, young people, and adults are not at risk of abuse or neglect.

2. Application

This policy and the procedures are applicable to trustees, members of staff, contractors, managers/leaders of hall user groups and volunteers who work with, or have contact with children and young people and vulnerable adults during:-

- 2.1 Activities held on the sites owned by Brockenhurst Village Trust at Highwood Rd and Brookley Rd. Consideration should be given to how this policy will be fully implemented in all areas of the facilities due consideration should be given to communal areas such as toilets and corridors etc.
- 2.2 Off-site activities organised by BVT.

Some user groups will have their own governing bodies with specific requirements and expectations for safeguarding. Other groups or individual hirers, without their own policies, agree to adhere to the BVT safeguarding principles and procedures when hiring the facilities.

3. Safeguarding Vulnerable users: The law

There are three key pieces of legislation which govern safeguarding. These are:

- The Childcare Act 2006, which regulates childcare.
- The Safeguarding Vulnerable Groups Act 2006, which provides the framework for the Vetting and Barring scheme and was passed to help avoid harm, or risk of harm, by preventing people who are deemed unsuitable to work with children and vulnerable adults.
- The Protection of Freedoms Act 2012. This defines the scope of Regulated Activity (means unsupervised work or activities involving regular or close contact with children and vulnerable adults).

4. Principles

The BVT Board of Directors is committed to promoting wellbeing and preventing harm and will ensure any concerns raised regarding children and vulnerable adults within its remit are responded to effectively following established safeguarding principles and procedures.

The BVT Board is committed to following the guidance of The Charities Commission on Safeguarding and Protecting People:-

- 4.1 Ensuring an adequate Safeguarding policy, code of conduct and procedures.
- 4.2 Ensuring Policy and Procedures are monitored and reviewed annually and whenever there is serious cause for concern and to consider ways to promote the safeguarding culture within the Trust.
- 4.3 Ensuring that everyone involved with the Trust are informed of the Safeguarding Code of Good Practice enabling them to recognise, respond to, report, and record a safeguarding concern.

5. Responsibilities

- 5.1 The BVT Board of Trustees is responsible for the Safeguarding Policy and will regularly review this policy at Board Meetings on an annual basis, or more frequently if there are issues causing concern. Trustees aim to promote an open and positive culture and ensure all involved feel able to report concerns, confident that they will be heard and responded to.
- 5.2 At all times no member of the Trust, staff, or volunteers should put themselves in the position of unsupervised access to vulnerable users unless appropriately vetted. Consideration should be given to particular situations where this could arise such as when using communal areas.
- 5.3 The BVT Board of Trustees have appointed the Operations Manager of the Trust to be the Designated Safeguarding Lead. However, all Trustees have the responsibility to support the Manager in this Safeguarding Role and to understand actions to be taken if concerns arise.
- 5.4 The Operations Manager will ensure that safe recruiting practices are in place, risk assessments are carried out and recorded, and hiring agreements are in line with BVT safeguarding principles.
- 5.5 It is the responsibility of the Operations manager to ensure that all staff, contractors, volunteers, and user groups of the BVT facilities, who may have contact with vulnerable users, are aware of and abide by the **Safeguarding Code of Good Practice** detailed below.

6. Procedures

No one should have unsupervised access to children and young people or vulnerable adults unless appropriately vetted and aware of the **Safeguarding Code of Good Practice**.

- 6.1 Users of the BVT facilities are required by the Terms and Conditions of Hire to abide by the BVT Safeguarding Policy and Code of Good Practice and to ensure that any activities for children, young persons and adults at risk are only provided by fit and proper persons in accordance with the Childrens Act 1989 and 2004 and the Safeguarding Vulnerable Groups Act 2006.
- 6.2 If and when Staff, Volunteers or Trustees are likely to be directly involved in any Regulated Activity involving Children or Vulnerable adults they should be previously referred for checking to an approved Disclosure and Barring scheme.
- 6.3 Terms and Conditions of Hire require all reasonable steps to be taken to prevent harm and to respond appropriately if harm does occur. A copy of the Safeguarding Code of Good Practice is sent to all hiresrs at the point of having their booking confirmed via the online booking system.

6.4 User groups and hirers having close contact or providing personal care for vulnerable users may be required to make available a copy of their own Safeguarding Policy
