

Cowfold Community Pool Volunteer request.

Cowfold Community Pool is preparing for the 2021 Season. The trustees are looking for volunteers to support the trustees and the paid staff (lifeguards).

Main Volunteer Area

We are looking for friendly and enthusiastic supporters who are able to commit to being on a flexible rota to oversee activities and support the lifeguard on duty.

We envision that this role will include greeting visitors, accepting payments, pool area walk rounds, keeping areas tidy, cleaning of communal areas. No previous experience is necessary

Maintenance

Volunteers are needed to help with light repairs, as they occur. We would also appreciate any professional contractors willing to donate their services free of charge.

Fund Raising

Fundraising is an ongoing job that is extremely rewarding. We need an unlimited number of volunteers to help raise funds through fund raising projects. No previous experience is necessary, just the capacity to help and the enthusiasm to take on fund-raising.

IT Support (including Website and Social Media)

We need someone with I.T and social media experience to keep our website up to date, helping with the release of dates on our on-line booking system, and posting pictures and news on our Facebook, Instagram and Twitter accounts.

If you are interested in helping in any capacity related to the above or in some other capacity that is not mentioned here, please get in touch by contacting cowfoldcommunitypool@gmail.com and indicating which area you would like to be involved in.
