Walk-On Booking and Access

Routine /occasional bookings can be made online through the booking system available via the village website: www.gordonvillage.co.uk.

You will need to make an online payment at the time of booking. In response, lock codes will be provided. This process should only take a few minutes.

The website provides an availability calendar showing existing reservations and available time slots.

To make a booking, press 'Book Now' and choose your preferred day and slot and follow the online booking process. **For new users, you will have to register with the application.**

This will take you to the underlying booking application page 1. Select 'Make Booking' to progress to choosing a slot. There are seven steps in total, but quick to click through once you are familiar.
