

A charity operated by a Management Committee of  
Volunteers for the Community. Registration No. 300285

## Bouncy Castle InfoHire Sheet

Last Revised August 2025

**Please ensure you read and understand your responsibility and liability.**

- Castles must be located within the pink square on the map below = ensuring exits are not obstructed and there is a safe distance from stage lights.
- The castle can only be plugged in to the sockets shown on the map.
- The Hirer and The Bouncy Castle Provider must ensure the equipment (including blowers) does not mark, scratch or damage the floor.
- The named hirer must have a copy of the relevant insurance for the castle available to show to the hall volunteer at the start of their hire and to anyone who asks to see it during the hire
- The equipment must have passed relevant testing—for example PAT testing.
- The castle must not exceed 4 metres in height.
- The set up and take down of the castle must take place during the hire or the named hire may face additional hire charges.
- The named hirer is responsible for the safety, wellbeing and behaviour of their attendees/guests/staff/volunteers.

**FULL TERMS ARE ON THE WEBSITE.**
