

ACCESSING THE BUILDING

The key for the Hall can be collected from the porch at 1 Dgeddi Villas, Llanigon HR3 5PZ. It is in the porch on a hook. Please return the key promptly after securing the building (including all windows and exits).

If there is another booking straight after the session and the hiree arrives before you leave you may hand the key and responsibility for the Hall's security to them.

In the event of a problem with access, there is a spare key kept at 17 Beech Drive Llanigon HR3 5TQ. It's the street of new homes on the right (coming from Hay) just before the Village Hall. 17 is at the bottom of the street in the cul-de-sac on the right.

You can contact Will on 07870 572 230 or Colin on 07737 421 703 if you have a problem getting in.

Please **do not share these key locations with others** – this information is only for those hiring the Hall.

There is a set of instructions for operating the heating and lighting etc on the wall of the Hall.
