Policy Principles

There can be no excuses for not taking all reasonable action to protect children and adults at risk of abuse or neglect. All citizens of the United Kingdom have their rights enshrined within the Human Rights Act 1998. People who are eligible to receive health and community care services may be additionally vulnerable to the violation of these rights by reason of disability, impairment, age, or illness.

Norton Village Hall charity has a zero-tolerance approach to abuse.

Norton Village Hall charity recognises that under the Care Act 2014, it has a duty of care and protection of adults who are at risk of abuse. It also recognises its responsibilities for the safety and care of children under the Children Act 1989 and 2004.

Norton Village Hall charity is committed to promoting wellbeing, harm prevention and to responding effectively if concerns are raised.

Norton Village Hall charity is aware of the work of their local safeguarding Board/Partnership and other support organisations on the development and implementation of procedures for the protection of children and adults at risk. The policy is about stopping abuse where it is happening and preventing abuse where there is a risk that it may occur.

Norton Village Hall Committee is committed to the following principles:

- The welfare of the child, young person or adult at risk is paramount.
- All children, young people and adults at risk have the right to protection from abuse.
- Safeguarding is everyone's responsibility: for services to be effective each professional and organisation should play their full part; and
- All suspicions and allegations of abuse must be properly reported to the relevant internal and external authorities and dealt with swiftly and appropriately.

Procedures

- All members of the committee will sign the Declaration of Acceptance of Office for trustees which includes a declaration that they have no conviction in relation to abuse.
- All members of the committee will familiarise themselves with safeguarding responsibilities, undertake training where appropriate on safeguarding issues

including whistleblowing where it is available and offered by their local safeguarding board/partnership or other local support organisation and ensure that they understand the principles set out in this policy at 3 above.

- All members of the committee will work together to promote a culture that enables issues about safeguarding and promoting welfare to be addressed.
- All members of the committee, helpers or other volunteers will not have unsupervised access to children or adults at risk unless appropriately vetted.
- The hall committee will follow safe recruiting practices.
- A member of the committee will be appointed to be responsible for child and adult at risk safeguarding matters. This person will have responsibility for reporting concerns that arise, as a matter of urgency, to the relevant safeguarding agency.
- The named person is Mrs. Karen Robertson.
- All suspicions or allegations of abuse against a child or adult at risk will be taken seriously and dealt with speedily and appropriately. The appointed person will know who to contact and where to go for support and advice in relation to an allegation, a concern about the quality of care or practice or a complaint. An allegation may relate to a person who works with children or adults at risk who has:
 - Behaved in a way that has harmed a child or adult at risk or may have harmed a child or adult at risk.
 - Possibly committed a criminal offence against, or related to, a child or adult at risk; or
 - Behave towards a child (or children) or adult at risk in a way that indicates they may pose a risk of harm to children or adults at risk.
- The hall committee will ensure that all hirers of the hall have signed a hiring agreement. This will require all hirers who wish to use the hall for activities which include children and adults at risk, other than for hire for private parties arranged for invited friends and family, to either produce a copy of their Safeguarding Policy and evidence that they have carried out the relevant checks through the Disclosure and Barring Service (DBS) when requested to do so or, confirm that they have understood and will adhere to the hall's principles and procedures with regard to safeguarding.

The village hall management committee will review this policy annually. Next review January 2024.
