

The Pavilion
Sony Bravia TV User Guide

- Turn on TV at wall socket
- Press the HOME button on the remote (found behind the door)
- Choose which app you want to use to project your media: BRAVIA/Media Player
- Press  button to access the AirPlay option. The devices are named the same as the room you have hired i.e. River Room/Artists Room. You must be on the same WiFi network to access the AirPlay option, please make sure you are connected to the FOCG Guest network. Password: FOCGGuest
- There are different input methods you can use i.e. USB, HDMI, Airplay (Please note you will require your own HDMI cable)
- HDMI seems to work universally for most
- PowerPoint presentations do not work on the TV's
