

**HELLO, WE'RE
T3 STUDIOS**

T3 studios

WHAT WE DO

 A full service production house, captivating audiences for leading brands in sport. We turn your ideas into reality with **expertise, creativity and end-to-end execution.**

EVENT PRODUCTION

I We make events happen, supporting clients globally with **production, audiovisual** and **technical** support.

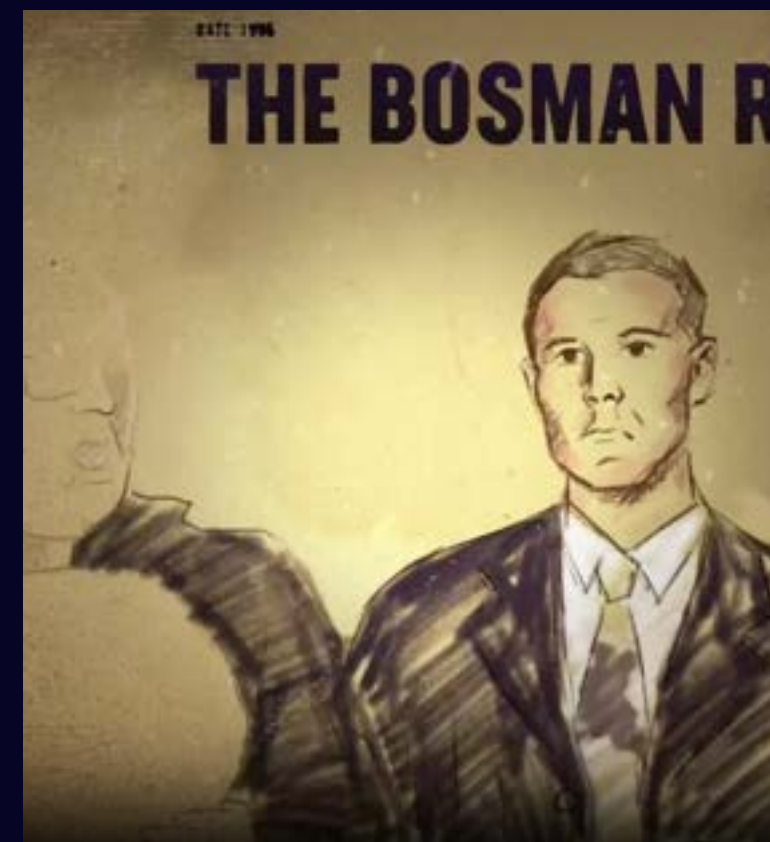

LIVE BROADCAST

From our studio in North London, or on location across the world, we produce multi-camera studio coverage, **broadcast to wherever** you need.

MOTION GRAPHICS & ANIMATION

We help you achieve effective storytelling with high-quality **animation, design** and **production** capability. Whether it's a long-form documentary or an animated motion graphic - we deliver, for you.

CREATIVE & DESIGN

We create stand-out **bespoke graphics** in-house for any channel, any project, any sport.

PLATFORM & CONTENT MANAGEMENT

Editorial and social media support, digital content strategy, platform management: we cover what you need, when you need it.

WE HAVE WORKED
WITH

WILLIAMS RACING

The powerhouse behind WILLIAMS RACING's worldwide Fan Zones & award-winning digital content.

ALEX ALBON

 We **build athlete brands** and cut through to audiences.

From **strategy** to **execution** - we produce events, create content and deliver across multi-platform management.

LIVESCORE

LiveScore™ continue to be an essential match day experience for fans, and so have T3 Studios.

Together we continue to produce viral moments, live broadcasts, industry leading content and bespoke social graphics. Our work contributes to LiveScore being one of the most loved sports media brands.

US SAILGP

Full scale content production and social media management for the **best supported team** in the **fastest race on water**, on location across the globe.

SQUAWKA

Elevating content at T3 Studios is our bread and butter. We enable our partners to drive commercial revenue and fan engagement through **partner collaborations, studio production and visual storytelling.**

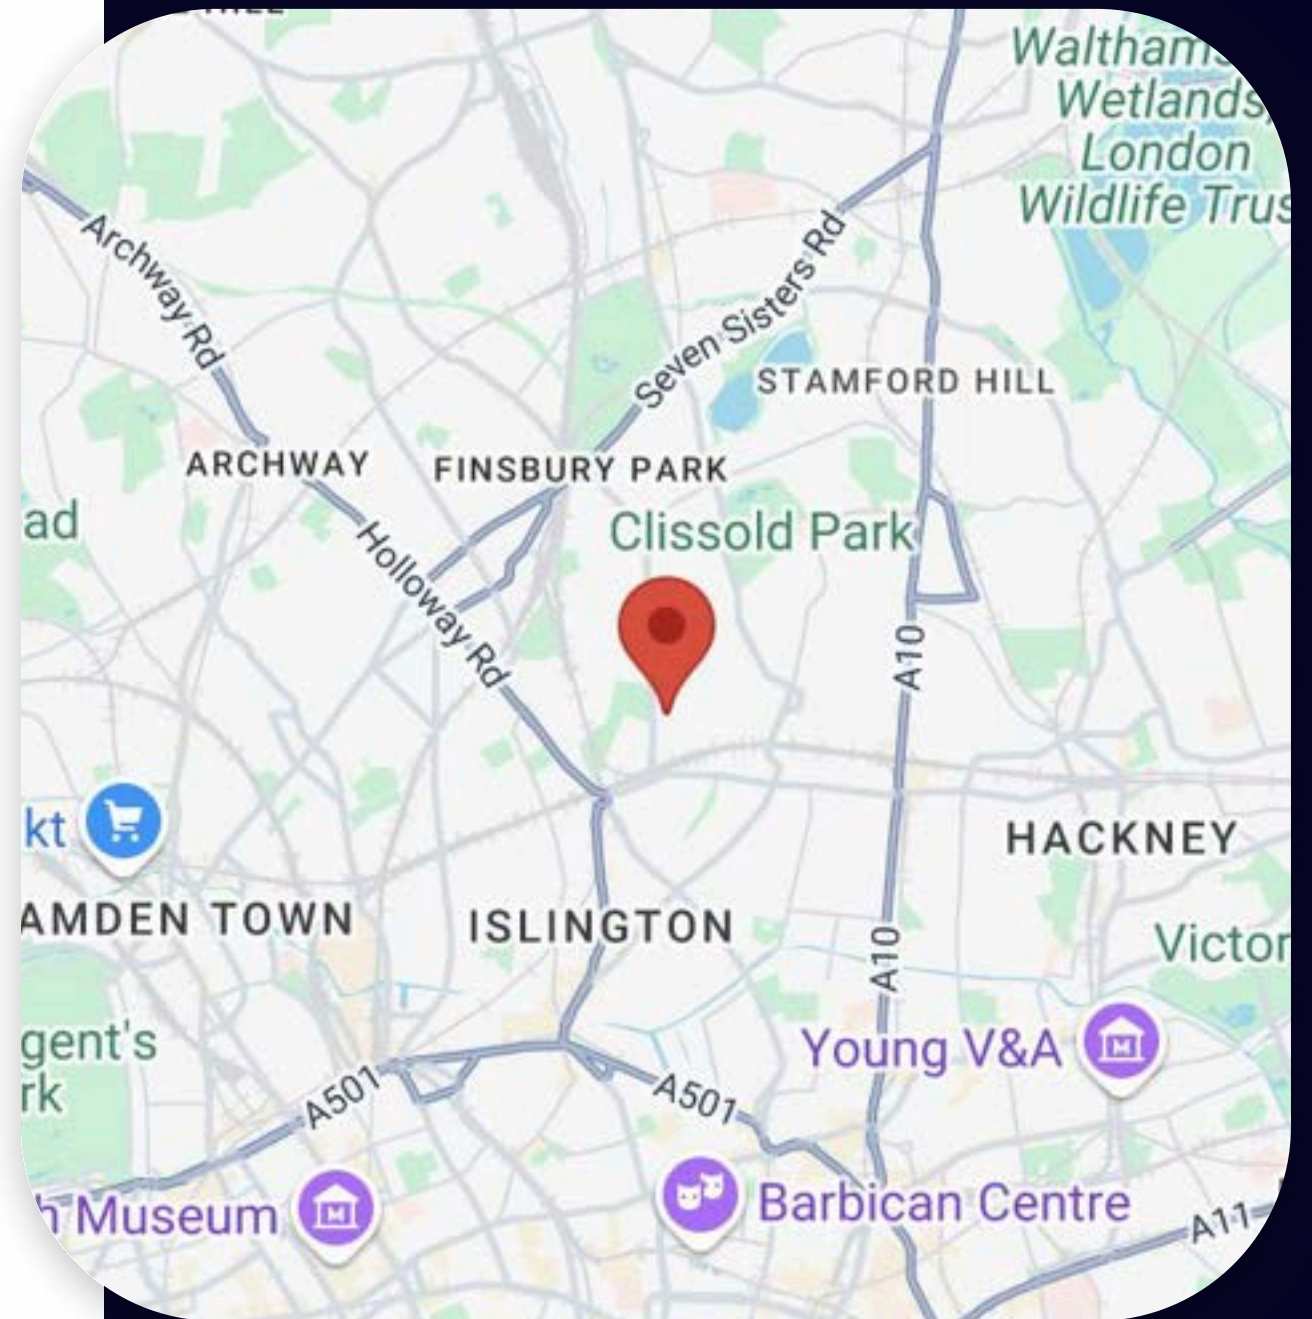

We provide the perfect blend across our whole Twenty3 business using data and content-offering flexibility on our output to maximise results.

WHERE WE LIVE

Our studio facility, just 15 minutes from Euston and King's Cross, is **versatile**, **4k-ready**, and capable of delivering for all manner of projects, from **multi-feed broadcast** to **single-camera presentation**, from podcasts to phone-in shows.

Our production gallery features the latest in vision-mixing technology, and our staff are nimble enough to ensure a bespoke approach to your needs and budget.
