Season's Greetings from the Wiltshire Bobby Van Trust

On behalf of everyone at the Wiltshire Bobby Van Trust, we wish you a very Merry Christmas and a Happy New Year.

Please feel free to share this message with family, friends, or anyone who may benefit from our services.

Our Bobby Van team, supported by a dedicated network of trained volunteers, provides practical, one-to-one guidance to help people protect themselves from online crime and fraud. We support residents aged 60 and over, as well as adults over 18 with a registered disability, across Wiltshire and Swindon. Every visit is tailored to the individual, reflecting their personal needs and confidence with technology.

Our aim is simple: to help older and vulnerable residents use technology safely and with confidence. By doing so, we enable people to stay connected with loved ones, access essential services, shop online, and fully participate in today's digital world while reducing the risk of fraud and exploitation.

We are committed to ensuring that everyone especially older people can navigate the digital world confidently and securely.

In addition to online safety service, our Home Security Operators also provide free wider home-security advice, helping to keep Wiltshire one of the safest counties in the country. Our trusted, professional services bring reassurance and practical help directly into local communities.

Call to Action

If you, or someone you know, would benefit from our free, confidential support, we encourage you to get in touch or make a referral today. Early advice can make a real difference in preventing fraud and improving digital confidence.
