

On Saturday, 28 June, Penhill residents were invited to a community event where local people, groups and organisations came together to promote events, training opportunities, summer activities, and various ways for locals to get involved in Penhill.

Penhill Street Reps and Junior Reps also engaged with visitors to showcase the difference local volunteers can make.

A great example is the Street Reps in Penhill successfully repairing the planter located on Grafton Road (pictured below).

Originally constructed by young wardens in 2013, over time the planter had fallen into disrepair.

The adult reps used this opportunity to provide DIY training to the junior reps, teaching them some basic woodworking skills.

If you are interested in the Street Rep or Junior Rep programme, please contact us at getinvolved@swindon.gov.uk and we'll get in touch.
