Dear Sir / Madam

TV816 - School Lane, Chandlers Ford - Carriageway Investigation Works

Night Working Advance Notification

As part of Hampshire County Council's annual planned maintenance programme, this letter is to inform you that we will be undertaking carriageway investigation works on School Lane, from Templars Way to Castle Lane.

The works are programmed to start 6th July 2026 and are expected to take up to 5 nights to complete.

Due to the impact the works will have on traffic and to minimise disruption, it will be necessary to carry out all works at night between 20:00 to 06:00hrs.

Whilst there is an allowance within the time periods shown above for delays, there may be times when we have to postpone works at very short notice; based on the latest weather forecasts, this can occur just prior to works commencing. We will always look to provide up to date information wherever we can, but sometimes these last-minute decisions can be difficult to relay to the travelling public in a timely manner. When we can, any significant changes to the scheduled dates will be made clear on the yellow sign boards located at the works limits.

As a resident/business, you are receiving this letter to inform you that, due to the close proximity of your property to the works, you are within an area which may experience some noise disturbance overnight. We are aware of the issues created by night working and will endeavour to keep noise levels reduced whenever possible.

Director of Universal Services
Patrick Blogg

For further details of how the road closure may affect your access please visit our website - www.hants.gov.uk/roadworks.

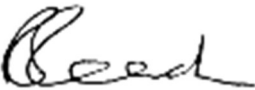

Thank you for your co-operation and if you need more information regarding these works, you can by using any of the options below.

Visit One.Network – <https://one.network/?tmi=GB44342330> which is where our planned works are published and is an independent platform that allows real-time monitoring of all the UK's roadworks and diversions.

Scan the QR code below.

If you ever need to report a problem with the roads, you can do so by visiting www.hants.gov.uk/roadproblems and then clicking on 'Find out more' on the 'Roadworks or road closure issues' square.

Yours faithfully,

Planned Maintenance Team
