Highwood Road, Brockenhurst SO42 7RY

Tel. 01590 622580

Starting Celebration Package 2026

Package Cost: £1627.50

Includes exclusive use of the whole facility:

Friday 6pm – 11pm to set-up and dress the rooms as you wish.

Saturday 8.00am – 11.30pm exclusive use of the whole venue for your celebration day.

Forest Hall - Sunday 8.00am – 12.00pm to remove any remaining items from the facility before we clean and prepare our rooms for our next customers.

What's included?

Exclusive use of the facility, two downstairs and one upstairs room at your disposal. Endless possibilities to make your celebration unique to you.

This means you can comfortably seat up to 140 guests for your wedding breakfast and invite at least 60 more for the evening. The only limitations will be your seating plan, but we are here to help you with these choices.

We will layout tables and chairs according to your seating plan and clear away tables and chairs after your celebration. We can provide both round and rectangular tables.

You can provide your own alcohol, or you can hire in an outside bar. We do not charge any corkage fees.

We also undertake cleaning in all areas except the main kitchen (this is normally undertaken by the company you hire to provide catering services). They will usually do the washing up as well so be sure to tell them we have two commercial dishwashers in the downstairs kitchen to make light work of this.

Audio/Visual Equipment:

You have full use of the stage area, and we provide basic audio/lighting equipment, including personalised consultation and direction from us.

Audio - personal address system to ensure everyone hears every word of your speeches! This system can also be used to provide background music during your celebration and even for a DIY disco for your evening guests to enjoy. You just need to bring a suitable device to plug in and away you go. Prepare your personalised playlists at home and then be ready to party the night away, effortlessly and without the additional cost of a DJ! We can even supply simple but effective disco lights that will pulse to your chosen tracks.

Visual – programmable LED strip lighting to match or enhance your colour scheme. Coloured floodlights to help create a party atmosphere and stage lighting to make your entertainment shine.

Extra Services & Decoration Options

Use of Our Newly Installed In-House Bar

We are delighted to offer couples the option to include use of our newly installed in-house bar as part of their evening celebrations. Choosing to have the bar open means guests are kindly asked not to bring their own drinks, and any bottled beverages from the wedding breakfast will be put to one side for the remainder of the event. This addition can create a seamless, enjoyable atmosphere for your evening and ensures everything is taken care of in one place.

Please note that pricing for the bar service will vary depending on your specific requirements, the length of time you'd like the bar open, and any additional options you choose.
